Central Elementary School Student Directory Information

Inclusion in the student directory is optional, but extremely helpful for other parents to have your contact information in the event of an emergency. However, if you wish to exclude your child's contact information, check here and return the form with the address and phone fields blank. This student directory is for Central students only (please don't include children enrolled at Hauser).

Instructions:

- Please print clearly
- Please asterisk or circle the phone number you want room parents to call first
- Please be sure to include your email address for updates from the Central PTO website.
