

## Holiday Specials Collection

The holiday season is upon us and let's be sure to remember how hard *all* of the “**specials**” **teachers** and **staff** work at Central School! Each year the PIO takes up a collection and distributes gifts in the form of gift cards to the following teachers and

staff: art, music, physical education, librarians, Quest, reading specialist, to name a few. The collection is completely voluntary. A \$5 amount has been suggested; anything you feel comfortable giving is most welcome. Please place your money in an envelope (clearly marked “specials collection”) and turn it in to the PIO mailbox in the school office no later than Friday, December 11<sup>th</sup>. (If you need to write a check, please make payable to Jeanine Vaia).
