

WELCOME: Residents and visitors are welcome to all meetings of the Village Board. Comments and suggestions on any topic are welcome at any Regular meeting. At Special meetings, public comments are also welcome, but the Village Board is limited to addressing issues that are listed on that meeting's agenda. Comments may be made during the time identified for public comment on the agenda or, if the comments pertain to an agenda item, at the time that item comes up for discussion. Individuals who wish to comment must be recognized by the President and then speak at the podium and should begin by identifying themselves by name and address so that the Village Clerk can add this information to the meeting minutes.

Any individual with a disability requiring a reasonable accommodation in order to participate in the meeting should contact Village Manager Peter Scalera at least five working days in advance of the next scheduled meeting at (708) 447-2700 ext. 254.
