

## Central Elementary 100% Fund

In the past, Central Elementary ran multiple fundraisers to finance the various programs that enhanced our children's public school experience. The energy we put into these efforts never yielded the kind of results we needed. A search for a better way led us to create The 100% Fund, which was designed to replace five of our annual fundraisers and allow all of our donated dollars to go directly to Central PT0. Some highlights of this program are:

- Your donation is 100% tax deductible as we are a 501(c)(3) organization.
- 100% of your dollars go to the PT0 and you don't have to purchase any products.
- \$100.00 is the suggested donation, but any amount makes a difference.

**While we run other fundraisers throughout the year, the 100% fund is our primary fundraiser and runs from August 25 to September 5. It is our hope to receive the majority of the donations during this time-frame so we can immediately begin to pay for our 2010 -2011 programs.**

Please also consider the matching funds program your employer may offer - many businesses view \$100.00 as a reasonable match.

As always, we welcome your feedback and suggestions. Together we will build our community and better our children's educational experience!

If you have any questions, contact Stephanie O'Brien, [obriens@centralptonews.org](mailto:obriens@centralptonews.org).

**100% funds support educational programs and social community building activities**

**such as:**

- Classroom items like cameras for teachers and Science-in-a-can
- Books for Central School Library
- Teacher appreciation week and luncheon
- Recycling bins for classrooms for the Ecology Club
- Birthday Boards
- Jr. Great Books / Flying Carpet
- Roadrunner Yearbook
- Read to Succeed program
- Kid's Care
- Board games for indoor recess
- Hike & Bike to school
- Talent Show
- Social events such as the Ice Cream Social, Ice Skating Party, Family Fun Night
- Artist-In-Residence projects such as Striding Lion - a very popular all-school performance based on student scripted plays demonstrating math principles.
- Halloween Play
- Living Classrooms
- Turn off TV week
- 5<sup>th</sup> Grade Games Night
- Cultural Arts Materials & Field Trips (Frank Lloyd Wright tour, Chicago Architectural tour, Riverside Arts Center trip, etc...)
