

# CENTRAL ELEMENTARY SCHOOL CULTURAL ARTS PROGRAM

## Adopt-a-Painting

Central Elementary School's  
extensive collection of **Cultural Arts paintings**  
*is in desperate need of conservation*  
Paintings show excessive wear and lack of signage.

Through the recently introduced  
**'Adopt-A-Painting'** program,  
art appreciators and friends of Central School  
have the unique opportunity to leave  
a lasting legacy. *Donated funds cover the  
cost of re-framing and signage, helping  
students identify the artist and painting title.*

**Our goal is to re-frame  
all curriculum paintings by  
the end of the school year.**

You, your family, friends or company  
will have the ability to adopt a particular  
work or grouping of art.  
First come, first serve!  
See the online gallery of paintings  
awaiting adoption.

In return, you'll receive permanent signage  
acknowledging the donor's name  
along with a commemorative photo.  
*Your donation is a tax deductible contribution.*
