Make Discoveries at Central School's Science Fair

- Students, working individually or in pairs, will conduct their own experiments at home using the 5 steps of the Scientific Method.
- Go to the PTO website (www.centralptonews.org/sciencefair) to download a detailed set of instructions.
- Participation in this non-competitive Science Fair is optional and open to all students (K-5).
- For convenience, display boards are available for \$5.
- Need help generating an idea? Check out the PTO website for a list of helpful online resources and ideas for age-appropriate science projects.
- **DON'T MISS OUT!! Entry form is below.**

Oct 5 and 6
(3:05 to
4:30pm)

After School Mentoring:
Science Fair Volunteers
will be available to review
and discuss project ideas.

Oct. 14 Entry forms are due.

Oct. 19 Are you on track with
your experiments? The
Fair is in 3 weeks!

Nov. 9

SCIENCE FAIR
Central School

Set-up begins at 5pm
Fair held 6 to 8pm

QUESTIONS? Contact us sciencefair@centralptonews.org

Your Science Fair committee is here for you! This is the first Central Science Fair in a number of years, and we hope to start a new tradition that encourages curiosity and a love for science. Let our budding scientists take the lead and HAVE FUN! See you at the Fair.

ENTRY FORM: DROP OFF TO PTO MAILBOX BY FRIDAY, OCTOBER 14.

My child _____ will be participating in the Science Fair on Wednesday, November 9th. I understand that he/she must be accompanied by a parent or guardian. Students must follow the guidelines outlined in the Science Fair Instructions.

Parent Signature _____
