

**African Water Relief
Spare Change Drive
May 2nd to May 11th
Central School**

Central School's fifth grade class is sponsoring a spare change drive from May 2nd to May 11th. All proceeds will go to Water For People, an organization that supplies clean water sources to schools and communities in impoverished areas of Africa.

All students are encouraged to bring in change to donate over the next week. There will be a collection cup in each classroom.

The fifth grade would like to thank you in advance for your support.
