

**Who's looking for a FUN ADVENTURE with their friends and family?  
And looking to help support the Central School PTO and their programming?**

The **Vault Escape** is created, owned and operated by Riverside's own, Sarah Kampbell. **Vault Escape** has been named **Chicago's #1 Escape Room Experience!!** Congratulations, Sarah!

**Vault Escape** is a puzzle, escape room that challenges individuals to solve riddles, think creatively and work together to find the solution to a puzzle within the time allotted. Use your common sense, deductive skills and powers of observation to solve the puzzle and escape your room within the time allowed!

Grab a group (suggested 2 to 8) of friends and/or family and try to ESCAPE out of one of the puzzle rooms of your choice. It's a great, original idea for a kids or teens birthday party too!

Though the puzzles are designed for ages 10+, younger kids are welcome with an adult.

There are **two new rooms opening in March** and are even more **kid friendly!** The "Genie Room" and the "Coaches Conundrum" will be exciting additions to their room options and sure to be a hit with the both young and old! The "**Genie Room**" will have a **young kid option (ages 5 to 8)** and will be available by request and only on Sundays.

**Vault Escape is generously donating 50% of their ticket sales back to the Central School PTO when you purchase your tickets through the PTO during the month of February. Tickets are \$32 each.**

**You will receive a voucher with your personal code, for each ticket purchased. You can redeem your vouchers and make reservations online or by phone. Your voucher codes will NOT EXPIRE!!  
So purchase some extras for gifts or future fun this year!**

***Ticket vouchers can be purchase online, by check or cash:***
